

EYE OF METATRON

The **EYE OF METATRON** liberates from collective energies and thereby helps to dissolve mis-programming down to the density of matter. It gives access to primal knowledge.

It expands one's own perspective, and makes it possible to look at a situation from a bird's eye view, from a neutral, higher perspective.

The EYE OF METATRON also aligns the chakras down to the base layers and activates their full potential. It balances and strengthens psychological well-being and leads to inner peace.

ELYMARA crystals illuminate the individual light-essences of every person. The effects of these light crystals are versatile therefore we recommend to test the optimal product individually. Our consultants will be happy to assist you.
