

FACETED HEART

The **FACETED HEART** strengthens our relationship and access to our own divine core. This purest God energy within us expands and envelops us. Expanding further, the heart chakra gradually absorbs all other chakras into a unified heart chakra.

The FACETED HEART connects us to all aspects of the Divine Mother, which includes Mother Earth.

Important notice:

- The FACETED HEART is an effective energetic pendant and a delicate piece of jewelry at the same time
- Please handle very carefully
- The handmade suspension might bend
- Wear only individually without other jewelry
- In case of improper use any liability is declined
