

ROD OF FULFILLMENT

The **ROD OF FULFILLMENT** represents harmony at all levels, it opens any structure and renews the order – figuratively, an energetic realignment can take place.

It strengthens the connection to the user's own light and the true and real in the user. At the same time, the ability and intention evolves to act out of the reality and the wisdom of his own soul. Thinking luminously and acting consciously in the here and now, in the light of fulfillment.

One possible application on the physical level: Roll the ROD OF FULFILLMENT over injured or painful body parts. It activates the regeneration on an energetic level and has a lasting impact.

Remark: The image print of the Flower of Life may wear out after a while, but this does not alter the effect.

ELYMARA crystals illuminate the individual light-essences of every person. The effects of these light crystals are versatile therefore we recommend to test the optimal product individually. Our consultants will be happy to assist you.
